Answer

(a) to (e) Government has set up National Skill Development Corporation (NSDC) as a Public Private Partnership entity to promote private training providers to set up Skill Development Centres across the Country. Private training providers are assisted financially in the form of loan to set up Skill Development Centres across the Country. State/Union Territory-wise details about the skill training reported and placement done except Pradhan Mantri Kausal Vikas Yojana (PMKVY) during the last three years (2013-14 to 2015-16) is attached at Annexure-I. Further, opening of new Skill Development Centres is a continuous process.

Besides, Government has launched Pradhan Mantri Kaushal Vikas Yojana (PMKVY) on 15th July, 2015 which is a reward based, demand driven scheme aiming to benefit 24 lakh persons with training of 14 lakh fresh entrants and certification of 10 lakh persons under Recognition of Prior Learning (RPL). The trainees are given monetary reward under the scheme after successful completion of the skill training. NSDC is the implementing agency for PMKVY. Sector-wise break-up of the persons enrolled for skill training under PMKVY and persons trained, is attached at Annexure-II. The training partners are incentivised under the scheme for facilitating employment of youth trained in their centres under the scheme.

Further, Common Norms approved by the Government for skill development schemes on 15th July, 2015, has also the provision of incentivising the training providers to facilitate employment of youth trained under their centres and tracking of the trainees post completion of training. Further, the common norms are applicable on all Central Government schemes with effect from 1st April, 2016.
